OUR DESTINATIONS TO DISCOVER

Alaska, Canada & New England

Our great explorations of Alaska, Canada and New England bring you charming harbours, spirited cities and stunning natural beauty. From the massive glaciers and virgin forests of Alaska to the cultural heritage and treasured fall foliage across the Eastern Seaboard, glorious adventures await you in each corner of North America.

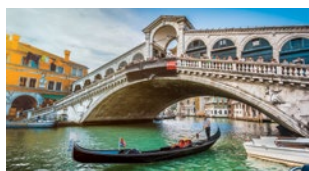

Asia & Africa

Our ships capture the world's two largest continents in a collection of itineraries that celebrate their most sought-after destinations. The mysteries of the Far East and the natural beauty of Africa come to light like never before, as both continents reveal their immense diversity and iconic monuments.

Caribbean, Cuba, Panama Canal & Mexico

Blessed by the sun's radiant rays, our tropics promise adventurous excursions ashore and carefree days at sea. Our ships explore the pristine beaches and azure waters of the Caribbean and Pacific Riviera while also offering fascinating journeys through the Panama Canal, ever so leisurely and always with pleasure in mind.

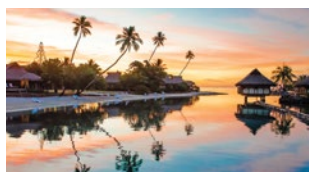

Europe

The rich history, architecture, and cultures of Europe stretch from the North Cape to the French Riviera to the Greek Isles. Sail the fjords of Norway, circle Britain or explore the treasures of the czars in the Baltic. Relish the view from high atop Santorini or immerse yourself in the Roman ruins throughout the Mediterranean. The choice is yours.

South America

Cruising South America serves to highlight the remarkable contrasts this continent has to offer, from the peaks of the snow-covered Andes to the plains of Patagonia, and from the eclectic thrill of Rio de Janeiro to languid coastal retreats like Porto Belo. We bring you the continent's timeless charm.

South Pacific & Australia

Like a string of pearls strung exquisitely across the South Seas, the natural beauty and incomparable lure of Fiji, Tahiti and the Hawaiian Islands are irresistible. For those who wish to journey to the farthest reaches of the Pacific, tantalising itineraries to Australia and New Zealand are easily at hand.
