

Costa Victoria

Design on show.

Costa Victoria is the designer ship. Abstraction and construction come together on board to create elegant and sophisticated rooms enriched with prestigious finishings and works of art like the precious mosaic by Emilio Tadini that adorns the Capriccio Bar. The purity that is a feature of the ship can also be seen in "Albero del Cielo", the steel sculpture by Gianfranco Pardi that rises elegantly up on high in the spectacular Planetarium Atrium. Colourful and minimalist, it is the perfect setting for this work of art on the fleet's most modernist ship. Costa Victoria will amaze you with its unique style that combines symmetrical forms, sophisticated furnishings and incredible settings: from the Pompei Wellness Centre, inspired by Roman baths, to Concorde Plaza, surrounded by windows looking out over the sea, where every evening you can dance under the stars and experience a totally unique holiday.
